

# WEBSITE APPLICATION QUESTIONS

1

Name

2

Age

3

School/Program if applicable

4

Major or field of study if applicable

5

Expected graduation date if applicable ([spring/fall & year dropdown](#))

6

Phone Number

7

Email Address

8

Internship Interest ([Sales Prep/Breeding & Foaling/Both dropdown](#))

9

Describe your previous experience working with horses.

10

What are your long-term career goals within the equine industry?

11

Working on a horse farm often requires early mornings, physical labor, and long days. What motivates you to work in this type of environment?

12

What skills or knowledge are you hoping to gain from this internship?

13

Are you able to perform physically demanding tasks (lifting hay bales, walking horses, standing for long periods)?

14

What personal qualities do you think make someone successful working in the equine industry?

15

Are there any areas of horsemanship you feel less confident in that you would like to improve?

16

Dates available to interview via zoom ([calendar dropdown x3 for 3 options](#))
